"Dirty" vehicles (Trucks particularly) contribute significantly to the declining air quality in the El Paso-Juarez-Las Cruces area. The increase in border trucking will make things worse.

I am writing to urge you to adopt Clean Cars and Trucks and Heavy Duty Omnibus standards to apply to the 2027 model year.

Six other states have already embraced these standards. Cleaner cars and trucks are a critical tool in solving the urgent climate" (575) 635-7871
