The Broadway Transfer Station SHOULD NOT BE ALLOWED. it's another example of Mountain View being used a literal dumping ground for everyone else. The idea that we are to be the recipients of trash from four different counties is absurd. Let those counties dispose of their waste in their own backyards. NOT OURS. The possibility of over 400 garbage trucks on Broadway everyday is ridiculous. Why should we bear the burden of someone else's trash disposal? This is completely unfair and discriminatory. Just because we are a poor neighborhood doesn't make this morally acceptable. Mountain View Elementary School is less than a mile away from this dumping ground. Is it fair to subject our kids to this debilitating pollution? ABSOLUTELY NOT. Do the right thing and deny a permit. If this is a needed facility, locate it on the West Mesa far from neighborhood populations. Thank you. Jeff Klas
