

Travis Engelage

IF I WANTED TO BUILD A NEW HOUSE FOR MY WIFE AND I, THIS WILL KILL THE AFFORDABILITY OF A NEW HOUSE. NEW MEXICANS HAVE BEEN WORKING CONSTRUCTION IN THE SUMMER FOR A VERY LONG TIME. DOES THIS ALSO EXTEND TO AGRICULTURE, WHAT ABOUT OIL AND GAS? YOU CAN'T STOP DRILLING A WELL BECAUSE THE DRILLERS HAVE TO TAKE A 40 MINUTE BREAK. YOU ARE TRYING TO TOTALLY DESTROY THE ECONOMICS OF THE STATE.
