

New Mexico Environmental Department

Attention: Environmental Improvement Board

Project Jupiter represents an opportunity for Southern New Mexico to continue building a stronger and more diverse economy. Investments of this scale bring new opportunities for businesses, skilled workers, and future generations.

I appreciate the careful review this project has received and respectfully ask the Board to approve the requested permits.

Sincerely -

A handwritten signature in cursive script that reads "Melissa Legarreta". The signature is written in dark ink on a light-colored background.
