DONT let this happen! Climate change will be IRREVERSIBLE after 3 years and this will speed it up tremendously they have caused enough damage to our planet already dont let them cause more. They dont need more money. We cant eat or drink money. STOP THEM BEFORE ITS TOO LATE.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
