Project jupiter is endangering animals who are only trying to survive and reproduce, creating a massive data center out of what necessity? none! before taking action take consider of the environment and how it will affect our future especially the future of the young people!

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
