

Kassie Friesen

I believe project Jupiter is a horrible idea. I want our Earth to get better so my children can grow up and not worry about this insane and inhumane world. They can still find good and I beg you to find it. The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
