Artificial intelligence has become increasingly damaging to our environment. Instead of ruining the only planet we can live on. Fund the schools, fund community centers, pay teachers and educators and we wouldn't rely so heavily on A.I. do not do us the disservice of not listening to our voices. America is for the people by the people, do this one thing for the people

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
