If data centers, including Jupiter, can't be carbon, CO₂, free, and not use Fresh portable water it cannot be built and operate. All claims must be scientifically proven - it's as simple as that. Therefore no fossil fuel can be burned. No methane no carbon dioxide produced.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied given Bloom Energy's history of illegal dumping hazardous waste.

If the permit is not denied, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.

Approving this permit would be government-sponsored environmental racism as residents of Doña Ana County are already disproportionately impacted by environmental pollution.
