I do not support this. Furthermore, I received notice that a comment in favor was submitted in my name, and with an incorrect phone number. I am attaching proof of the email. Again I am not in favor of this proposed data center development.

Yucca Growth Infrastructure, LLC-YGI Microgrid Air Quality Construction Permit Application

I am writing to express my support for Project Jupiter, which I believe offers significant benefits for our community.

Project Jupiter is poised to bring substantial economic growth to Dona Ana County. It is anticipated to create 4,000 construction jobs and 1,500 project-supported jobs. Furthermore, Project Jupiter has committed \$50 million to help repair, upgrade, and improve local water systems; \$360 million in direct support for schools, infrastructure, and local services; and \$6.9 million to fund workforce development initiatives along with supporting the Boys and Girls Club of Las Cruces, clean drinking water, the local community college, and habitat restoration.

I urge the New Mexico Environment Department to approve this important project.

Sincerely,

Darien Fernandez
