If the New Mexico Environment Department's (NMED) mission is "to protect and restore the environment and to foster a healthy and prosperous NM for present and future generations." Then they must deny this permit.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied given Bloom Energy's history of illegal dumping hazardous waste.

If the permit is not denied, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
