continuing the growth of data that only benefits the company behind these centers, and constantly affirming your users into thinking a prompt box cares. this technology only further damages our already fragile earth that is full of sprawl and greed. have any of you backing this ever considered touching grass??? or are you too addicted to greed to think about anyone other than yourself. The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
