WE CAN LIVE WITHOUT AI! These data centers and hurting the climate and will no justice for us humans in the long run. So, why do install something that can worsen our home, being Earth? Earth is already polluted enough, why worsen that? So billionaires can have more money in their pocket, running away to their bunkers while the rest of us common folk suffer by their hands? Money is what runs the world. So why let it kill us?

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
