We need to stop project Jupiter or else our planet will turn into Jupiter. We were fine without ai, in fact we lived many many years without it, why do we need it now? Is it because we need it to confuse us, to make us question what is real?

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
