

Jeffrey Mills

My name is Jeffrey Mills. I operate a licensed New Mexico food trailer, serving lunch, lemonade and shaved ice. I understand Project Jupiter currently has more than 1200 workers on site and expects more in the future. I would love to participate, in the lunch point of sale, catering and of course I can offer lemonade or shaved ice to the employees. Let's get together and work out a plan. You can call me at 505-270-5029 or email me at jeffmills10@icloud.com

Thank you,
Jeffrey Mills
