We only have one Earth, constantly changing and evolving. With the rapid development of AI, it's begun to change for the worse. We are privileged to be able to live in the moment we are now, and it's unfortunate to having now, calling it a privilege.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
