Please do not ruin our planet further. Give us a chance to save it. We will not sit by and watch as you tear our future from our pleading hands. At this rate, Humanity will be its own downfall because you cannot think on your own. Fuck you all.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
