

Elizabeth Washington

OUR PLANET CANNOT AFFORD THIS. No state, country, or government could afford the irreparable damage this will cause to their ecosystem. All it takes is someone to say no, and to care for a breathing life more than the empty shell of wealth. No one will forgive you for playing part in the destruction of the planet.

"The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually."
