NO TO THIS WASTEFUL, HARMFUL, UNNECESSARY PROJECT. Purely a corporate money grab at the expense of the citizens. I do not even have the words to describe how unwanted this is by the locals who will have to deal with the fallout of this ecological and public health nightmare. GO AWAY PROJECT JUPITER.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied given Bloom Energy's history of illegal dumping hazardous waste.

If the permit is not denied, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.

Approving this permit would be government-sponsored environmental racism as residents of Doña Ana County are already disproportionately impacted by environmental pollution.
