STOP PROJECT JUPITER! We don't need yet another useless data center that only further jeopardises the survival of humanity. This is just another cash grab for millionaires and billionaires which we absolutely cannot have.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
