We need to stop project jupiter so climate change. This year alone a lot of the maximum heat records have been broken and it will only get worse. Humanity is cooking it self. The ai is not worth it, we can funtion without it as we have for thousands of years. Tgis is not woth peoples lives for.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
