

## Char Anonymous

I live in Australia, but know that the emissions this data centre will put out are detrimental for everyone, even people living across the globe! It is absolutely disgusting these projects are being approved. Do people not care about their children?

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
