Do people believe they can just use their free will to ruin what God has created for us? Do people want to destroy us before most of us get a chance to find what our purpose is? This project will destroy our already limited source of fresh water! Tgis project is the reason why this summer is 10 times worse than past summers! This project is the reason innocent people might die! PEOPLE DO NOT WANT YOUR PROJECT!

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
