We only have one earth. Fresh water is finite. The rich will die rich and it doesn't matter to them if they have a legacy but the REST OF US would like the human race to continue and not just be a tiny fraction of rich white people who inbreed to extinction.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
