No no no no stop all projects related to data centers as a respiratory therapist I know these centers will be harmful to all persons who suffer from chronic lung disease! Stop the oligarchs from raping our earth and controlling all data. Why do you think flock cameras are proliferating everywhere? Evidence of harm is already seen across our country and the world both environmentally and citizenry privacy! Quote by Oracle co-founder Larry Ellison: "Citizens will be on their best behavior, because we're constantly recording and reporting everything that is going on" — a dire warning on the erosion of privacy. Oracle is running propaganda ads selling lies. Stop contributing to the devastation of our planet and our freedoms. "Look up"

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied given Bloom Energy's history of illegal dumping hazardous waste.

If the permit is not denied, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.

Approving this permit would be government-sponsored environmental racism as residents of Doña Ana County are already disproportionately impacted by environmental pollution.
