

Rickio Briscoe

They're draining as much water as possible, and killing our climate. No matter how much veg we eat, or electric cars we use, it's absolutely worthless if they have a mechanical planet killer of a data center opening up.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
