

Evangeline Sivertson

I'm done seeing my home be taken over by evil corporations who don't care about our next generations futures or our environment all for the sake of getting more money. This is the most amazing planet - it's one of a kind - and we can't afford to lose it.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
