

Zachary Theus

As a local business owner in Las Cruces, I'm writing to express my strong support for Project Jupiter.

For businesses like mine, Project Jupiter promises a significant economic boost, creating 4,000 good-paying construction jobs, followed by 1,500 project-supported positions, that will increase local spending across the community and support small businesses like ours. Project Jupiter's commitment to investing millions in Dona Ana Countys schools, infrastructure, and local services will also help businesses attract and retain talent while strengthening our local economy and customer base.

I strongly encourage the New Mexico Environment Department to approve this project.

Sincerely,
Zachary J. Theus
