STOP PROJECT JUPITER AND ALL DATA CENTER PLANS NO TO DATA CENTERS ANYWHERE IN OUR STATE The citizens of New Mexico do not want to be a part of the data centers and the mass amounts of destruction they do to the environment. Listen to the people, listen to the earth and the animals. I can't believe our state has even considered this a possibility and has the nerve to try this . You are not true New Mexicans or even good people if you allow this. You all will be involved in the destruction of the world if you allowed this. NO DATA CENTERS
