As a young person I explore you to stop this construction. It won't just effect you, but the entire world and generations to come. I want a future on earth and I want my children and their children after them to have futures. Untold ecological damage will be done if you let this come to pass.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
