This is terrible, our world is at great risk. I'm only 19 and have personally seen a change in our climate, and I'm honestly scared, of what's to come. I'm worried my everyday life will be altered by climate change, and everyone will look back on events such as Project Jupiter in deep regret if completed.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
