

Natalie DeMarco

We dont want ai and we dont need it to live we need our planet to live and data centers and causing animals to be extinct or disappear isnt helping the planet. Stop forcing our planet to die faster when no one else is agreeing to whats happening and instead help our planet. Stop tesring down trees, stop destroying wildlife and habitats, and stop polluting our earth. Stuff like this is the reason were having such high temperatures around the world and especially in cold states. NO ONE WANTS AI. NO ONE WANTS YOUR STUPID PROJECTS. STOP KILLING THE PLANET WITH YOUR SELFISHNESS BC YOU THE PEOPLE CAUSING THIS WILL ALSO BE AFFECTED BY EARTH'S CHANGES AND EARTH DYING.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
