ABSOLUTELY NOT. The public is against the decision to build ANY data centers in NM. It is harmful to the beautiful land, the people and our water. I OPPOSE AND URGE EVERYONE TO OPPOSE THIS PROJECT. NO TO PROJECT JUPITER.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied given Bloom Energy's history of illegal dumping hazardous waste.

If the permit is not denied, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.

Approving this permit would be government-sponsored environmental racism as residents of Doña Ana County are already disproportionately impacted by environmental pollution.
