A data center of this scale will have such expansive damage to our environment and local ecosystems. It will strip deserving people of clean water and air, and all for what? Ai is a tool not a necessity like clean water and air, why take away valuable recourses for a tool that does not provide anything other than aiding in humanities cognitive decline and inability to have there own thoughts and ideas.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air qualitThe puby permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
