

David Rutledge

My family's health and safety should be worth more than the profits of out-of-state corporations. The only defensible options moving forward are to deny this air permit or you must hold a public hearing in-person in Santa Teresa with a component for virtual participation. Materials and the hearing itself must be translated into Spanish and meet any other accessibility needs requested by community members.

The yet not understood side effects of all of these types of data centers with their corresponding noise and sight pollution has yet to be assessed adequately. It is very important to determine the actual side effects that will impact the community and the natural wildlife.
