I really don't think we need ai more than water,please we don't need it more than water.besides. it's wasting materials,place for animals and our water. It's not even needed. If I would needed it I would already said yes sure but no. No one does. Decline it,if I would've almost lost hope I would already been dead by committing

"The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually."
