We cannot treat New Mexico as a dead land, these people don't know the life and loving memories made here, the same being connected with My rio grande that gives us most our warm showers and cold water to our fresh clothes and sheets. AI doesn't deserve the same dedication and "support" New Mexicans bring to our agriculture DAILY.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
