We do not need AI, humans have survived so long without AI why make us humans and all species of animals extinct. The world is fine without AI. Why not use that area as something else other than a data center, use it as a wildlife reserve or anything other than something that will destroy us. The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably. The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County. If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
