

Akili Smith

please ban project jupiter! we can live without ai.

project jupiter shouldn't be allowed. it is only going to cause harm and damage to our world. there's already enough things going on that hurt our planet daily. project jupiter will not helpz

New Mexico Environment Department should give the public an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
