

Rebecca Dalton

DO NOT BUILD A DATA CENTER!!! IT DOESN'T MATTER WHAT KIND OF ENERGY IT USES, IT WILL STILL USE THE COMMUNITIES RESOURCES AND POLLUTE THE AIR!!! DON'T RUIN OUR EARTH AND ENVIRONMENTS THAT WILL DIRECTLY AND NEGATIVELY AFFECT OUR COMMUNITIES!!!! DO NOT BUILD THAT STUPID DATA CENTER!!!

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
