Comment Submitted on behalf of Yucca Growth Infrastructure, LLC

Company: Yucca Growth Infrastructure, LLC

Facility: YGI Microgrid

Permit No. 10883

This comment is submitted on behalf of Yucca Growth Infrastructure, LLC ("YGI"). YGI submitted the air quality permit application to the New Mexico Environment Department ("NMED") to construct the "YGI Microgrid" near Santa Teresa, New Mexico in Doña Ana County (assigned Permit No. 10883). As applicant, YGI has an interest in this permit application and respectfully requests that NMED grant the permit. YGI reserves all rights and opportunities to comment on the draft permit and analysis once made available for review by NMED.
