stop projecting jupiter immediately. And prevent the lively thrust it poses in our communities, this doesn't just affect me it affects you. ye you reading this, they didn't can't about us, they want you to not care, you can be the change, help change the world for good. stop data centers. we can still change the world for good. please please please help humanity survive.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
