

Leah N/A

How dare they think it's okay to build a data center WE DONT NEED at the end of the Rio grande. I pray everyone does everything to stop them from destroying our beautiful state. May god not have mercy on them, may they feel the greatest wrath of all time like the evil monsters they are.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
