İçinde bulunduğum dünyaya zarar vericek bir projeye karşıyım. AI olmadan da yaşanabilir ama temiz hava ya da içecek temiz su olmadan yaşanamaz. (I am against a project that will harm the world I live in. It is possible to live without AI, but it is not possible to live without clean air or clean drinking water.)

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied given Bloom Energy's history of illegal dumping hazardous waste.

If the permit is not denied, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.

Approving this permit would be government-sponsored environmental racism as residents of Doña Ana County are already disproportionately impacted by environmental pollution
