It is absolutely horrible to hear that a data centre will be built. this plan will one hundred percent destroy our entire worlds ecosystem and pollute not just our water, but also our air and people. Do not built this centre.

"The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually."
