Feel a little on the opposing side

Project Jupiter is poised to bring substantial economic growth to Dona Ana County. It is anticipated to create 4,000 construction jobs and 1,500 project-supported jobs. Furthermore, Project Jupiter has committed \$50 million to help repair, upgrade, and improve local water systems; \$360 million in direct support for schools, infrastructure, and local services; and \$6.9 million to fund workforce development initiatives along with supporting the Boys and Girls Club of Las Cruces, clean drinking water, the local community college, and habitat restoration.

I urge the New Mexico Environment Department to approve this important project.

Sincerely,
{Martin}}
