

Guillermo Gee

Please deny Project Jupiter. The company has done nothing but lie to the residents. How can we trust them to be honest. We have no water the people of Santa Teresa are poor and Dona ana county has not fixed the arsenic in the water. Please do the right thing for your residents and deny this permit.

Please reject the permit for project Jupiter.
The company has done nothing but lie to
the residents. We cannot trust a company
that puts profits over people
