We literally don't need it? Do you guys not see how much it is affecting us. It's taking billions of gallons of water a day, and now this project is a thing! We're tired of it. We were doing perfectly fine without it. We're corrupting our brains if anything.

The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County.

If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
