Do not let project Jupiter pass, it will ruin us. We cannot handle it. Our earth is fucking dying and we have nothing left for our people. I can't even allow myself to spill water while boiling eggs because I'm scared of our water supply. "The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably. The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County. If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually."
