AI is doing nothing but make our society worse, and our people more stupid, and it's destroying our planet in the process. There is no room in our world for this slop. Building this plant is a disservice and a disgrace to our very existence. This will ruin the lives of countless individuals for countless years.

The public should be given an additional 60 days to review and comment on the air quality permit so community members can participate equitably. The air quality permit application should be denied outright given Bloom Energy's history of illegal dumping hazardous waste. Approving this permit would be government-sponsored environmental racism directed at residents of Doña Ana County. If the permit is not denied outright, a public hearing needs to be held in Santa Teresa, in both English and Spanish, with an option to participate virtually.
